

What Business Experts Are Saying About Direct Sales / Network Marketing

Robert Kiyosaki - Business School

"If I had to do it all over again, I would have started building a network marketing business. The network marketing industry continues to grow faster than franchises or traditional big businesses."

Donald Trump - Why We Want You To Be Rich

"Network marketing has proven itself to be a viable and rewarding source of income. Make sure the product is worth your energy."

Don Failla - The 45 Second Presentation

"If you can't talk to your friends about your Networking business, then you either don't believe in it or don't understand it."

Paul Zane Pilzer - The Next Millionaires

"Direct selling provides an unparalleled opportunity for millions of people to take responsibility for their own economic wellness and create long-term financial stability."

David Bach - Start Late, Finish Rich

"When I read in Fortune magazine that Warren Buffett, the billionaire investor and one of the world's richest men, was investing in a direct sales [network marketing] company, I decided I was missing something."

Robert G. Allen - Multiple Streams of Income

"If you can find just one or two customers in every 100 contacts, you can build a fortune.."

T. Harv Eker - Secrets of the Millionaire Mind

"Network marketing, for example, is an amazing concept. First, it doesn't usually require you to put up a lot of up-front capital. Second, once you have done the initial work, it allows you to enjoy ongoing residual income, year after year after year. Without passive income you can never be free."

Jason Oman - Conversations With Millionaires

If you are not making money while you sleep, you'll never be rich."

Tom Peters - Business Guru, DSA 2006 Annual Meeting

"Women are the #1 business opportunity in the market. Women don't buy brands, they join them."

Zig Ziglar, Network Marketing For Dummies

"Don't laugh - \$100 Billion a year is serious Business."

Stephen R. Covey, Speaking About Network Marketing

"... (An) exciting, new business frontier."

Jim Rohn, Speaker and Author

"Network marketing is the greatest source of grassroots capitalism. You learn how to take a small bit of capital, which is time, and another small bit of capital, which is money, and start the American dream."

Fortune Magazine

"The best kept secret in the business world."

Tom Peters, Author, In Search of Excellence

"The first truly revolutionary shift in marketing in the last 50 years."

Division of Consumer Protection

"Multi-level marketing companies differ from pyramid schemes because they are usually legitimate business opportunities. The sale of legitimate products is what distinguishes multi-level marketing operations from pyramids. Pyramid schemes want to make money from you, not the product sales."

Rod Nichols, Multi-Level Marketing Columnist

"The Internet now enables network marketers to build national and international businesses from the comfort of their home."
